Education and training via the internet are growing rapidly. Accessibility from home or school makes Internet handouts a viable alternative to hardcopy handouts. The PDF format is accessible on both Windows and MAC platforms using [Adobe Reader](#), or the fast and simple open-source reader for Windows called [Sumatra](#).

Webclass.org provides:

- Workshop handouts available anytime, anywhere
- Web-based [Keyboarding](#) requiring no login
- Perpetual lesson plan [calendar](#)

After all, **Webclass.org** can be *anywhere you want to be....*

Attendees List

The screenshot displays a webinar interface. The main presentation area on the left features a slide with the following content:

- iPad Basics**
- Interactive Whiteboards**
- A portrait of **Larry Nelson**, Instructional Technology Services at El Paso ISD.
- An image of a laptop displaying "Technology Webinar El Paso ISD".

On the right side, there is a sidebar with the following sections:

- Attendees (8)**: Includes icons for list, grid, and people.
- Hosts (1)**: Lists **Larry Nelson - Host**.
- Presenters (0)**: Empty.
- Participants (7)**: Lists **Graciela De La Rosa**, **Lidia Arce**, **Margarita Gonzalez**, **Mirta Casillas**, **Nancy Becerra**, **Richard Ortega**, and **Stephanie Churchill**. A red arrow points to this section.
- Chat (Everyone)**: A chat window with a text input field and a send button.

Not Camera Roll

A screenshot of a digital whiteboard application. At the top, there is a red header bar containing a camera icon on the left, a keyboard with letters A through Z in the center, and a trash can icon on the right. The main area is a grey grid with the text "EL PASO" on the top line and "I S D" on the bottom line, written in a thick, black, hand-drawn font. A blue dialog box is centered over the text, displaying "Success" and "Photo Saved to your Library!" with an "OK" button. At the bottom left, there is a small "CAMPUS LIFE" logo with a "GO!" button. At the bottom right, the website "raqpit.com" is visible.

The image shows a digital drawing application interface. At the top, there is a toolbar with various icons: a 'Close' button, a selection tool, an image insertion icon, a redo icon, an eraser icon, a recording icon, and a color palette with swatches for black, grey, red, blue, green, orange, and purple. Below the toolbar, the text 'SHOW ME' is written in four different styles and colors:

1. SHOW ME (Green outline)
2. SHOW ME (Grey outline)
3. SHOW ME (Red fill)
4. SHOW ME (Blue fill)

A red arrow points from a blue-bordered box labeled 'Color chart' to the purple color swatch in the toolbar.

The screenshot shows an iPad interface with a 'New Features' dialog box. The dialog has a title bar with 'Done', 'New Features', and 'View Tour' buttons. The main content of the dialog includes the 'educreations' logo and 'version 1.3'. A blue diagonal ribbon in the top right corner of the dialog says 'New'. Below the logo are three icons: a tablet, a circular refresh arrow, and a cloud. The text below the icons reads: 'Improved Syncing', 'Your lessons are now fully synced between the iPad app and your account on educreations.com.', 'Log into the Educreations app on any iPad and all of your lessons will show up automatically.', and 'Important! Now, when you delete a lesson, it will be completely removed from your account, both on your iPad and on educreations.com.' At the bottom of the dialog are five dots, with the first one filled. The background of the iPad shows a toolbar with 'Done', color swatches, a hand icon, a text tool 'T', an image icon, navigation arrows, and a close 'X' button. A 'rec' button is also visible in the top right. At the bottom of the iPad screen, there are navigation arrows, a document icon, a plus icon, and the text '1 of 1'.
